Get to Know More About the Proposed Market Place Development

MARKET PLACE FACTS

- The Market Place will encompass approximately 11,000 square feet.
- The development will include outdoor areas for a variety of activities including weddings, corporate events and picnics.
- The new City Market building will have year round and seasonal components to accommodate various types of vendors.
- In order to fully utilize the riverfront, the City Market will move closer to the Grand River providing easier access to River Walk pedestrians.
- The final architectural design will compliment the River Walk.
- The design was developed through a collaborative effort with a City Market expert from the USDA who helped develop the plan after receiving feedback from the community and current City Market vendors.
- The project is estimated to cost between \$1.2 and \$1.7 million
- The City Market may open as early as the summer of 2009.
